

BK21 Plus Demand-based Translational Researcher Development Program
Konkuk University Medical Center Clinical Research Institute

09:00 ~ 09:20 Opening Ceremony

Opening remarks (The Director of BK21 Plus Program)
Welcome remarks (President, Konkuk University)
Congratulatory remarks (President, Konkuk University Medical Center)
Congratulatory remarks (The Dean of School of Medicine, Konkuk University)

09:20 ~ 10:00 Plenary lecture

Dr. Hans R. Schöler (Max Planck Institute, Germany)

10:00 ~ 10:20 Coffee break

10:20 ~ 11:50 Symposium I. Pluripotency & Differentiation

Dr. Huck Hui Ng (Genome Institute of Singapore, Singapore)

Dr. Hyung Min Chung (Konkuk University, Korea)

Dr. Toru Yamashita (Okayama University, Japan)

Dr. Hyuck Song (Konkuk University, Korea)

11:50 ~ 13:30 Lunch break

13:30 ~ 15:20 Symposium II. Cellular Reprogramming

Dr. Duanqing Pei (Chinese Academy of Sciences, China)

Dr. Tobias Cantz (Hannover Medical School, Germany)

Dr. Dong Wook Han (Konkuk University, Korea)

Dr. Boris Greber (Max Planck Institute, Germany)

Dr. Guangming Wu (Max Planck Institute, Germany)

15:20 ~ 15:40 Coffee break

15:40 ~ 18:00 Symposium III. Stem Cell-based Translational Research

Dr. Seung Hyun Kim (Hanyang University, Korea)

Dr. Chul Won Ha (Samsung Medical Center, Korea)

Dr. Ji Youl Lee (Catholic University, Korea)

Dr. Byung-Soon Park (CeLLPARK Dermatology Clinic, Korea)

Dr. Kyoung Sik Park (Konkuk University, Korea)

18:00 Closing Remarks

KONKUK INTERNATIONAL SYMPOSIUM FOR BIO- MEDICAL SCIENCE 2014

Date : September 24th (Wednesday) 09:00 ~ 18:00

Venue : Lecture hall of B1, Biomedical Science and Technology Building,
Konkuk University School of Medicine, Seoul, Korea

In commemoration of Max Planck Partnergroup Kickoff

STEM CELL RESEARCH FROM BENCH TO BEDSIDE
SEPTEMBER 24-26, 2014, KONKUK UNIVERSITY, SEOUL, KOREA
